

## HIS LOVES TRANSCENDS ALL OTHER LOVE

His love is not a human type of love. His love is NOT conditional. He loves us even when we do not return His love.

Just like the mother of the unborn baby keeps her baby alive, the Father of all humanity wants to keep us alive and growing in His Spirit.

## WHAT ELSE DOES GOD'S HEARTBEAT GIVE US?

The blood of Jesus Christ that was shed on the cross and the blood that dripped from His body to the ground wasn't dead old blood. His blood isn't like the blood of dead animals that spills on the ground and begins to rot and smell. His blood (even as He was dying) was connected to His Father in Heaven. His blood that was shed that day continues to bring life to the ALL of the people on Earth today as they receive what Jesus did by His death. The Father, the Son and the Holy Spirit are one. "For there are three that bear witness in heaven: The Father, the Word (Jesus Christ) and the Holy Spirit and these three are one" (1 John 5:7). God's plan is for us to know them personally, individually, and corporately. The Blood of Jesus Christ opens the door to our ongoing relationship with God in three persons.

## HOW DO I CONNECT TO GOD'S LOVE?

The responsibility to connect to God is up to us. God does not command us or force us connect to Him. God, in His greatest move of love, **offers us a choice** to receive or not receive His offer of Love through Jesus Christ. He has given us *free will*. He is waiting to hear from you. Just ask Him into your heart and to make Himself real to you, right now, and **He will**.

"Ask and it will be given,

Seek and you will find,

Knock, and it will be given unto you"

(Luke 11: 9-11)

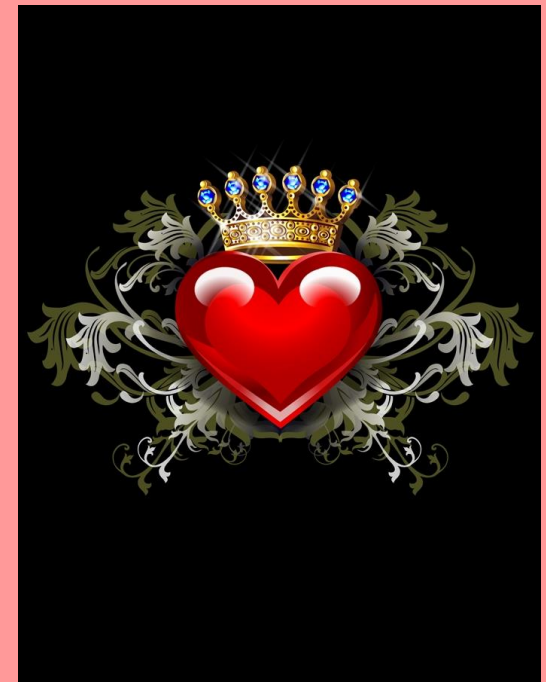

*Pray this prayer: "Dear God, I want to experience YOUR LOVE. Jesus, please come into my heart and life NOW. I need you. Thank you for coming in and bringing the Holy Spirit with you. Amen.*

# God's Beating Heart

**Understanding the  
Love of God**

*"I HAVE LOVED YOU WITH AN  
EVERLASTING LOVE" (JEREMIAH 31:3)*

## THE BEATING HEART

Do you remember when you were a child laying down in a quiet room in the early morning, before the world was awake, and you could hear the very beating of your own heart? It had a rhythm. As you lay there, you could feel your heart pulsing. Try it now. With every beat, your very life energy is coursing through your body. Every beat brings oxygen to all of your cells and all of the other toxins out of your body through the organs of your body like your lungs, kidneys and liver. Without the blood and the heart to circulate the blood, there is no life.

Usually, our heart beats just for one person: us. But there are times when one heart beats for two people like when a mother is pregnant and her heart beats not only for herself, but for her baby. That is like God. His heart beats not only for Himself, but for us as well. Of course, He doesn't have an actual heart, but His Heart is His Love for us.

## THE HEART OF GOD

The Heartbeat of God (His Love) is constant. His every heartbeat (unconditional love) is brimming with life and that life flows into us and through us by our connection to Him through His Son, Jesus Christ. ***“I have come that you may have life and have it more abundantly”*** (John 10:10).

## MY HEART BEATS FOR YOU

With every beat of His heart, He cares about us both in our joy and in our pain. In fact, **He “so loved the world that He gave His Only Begotten Son [Jesus] that whosoever believes in Him will not perish, but have eternal life.” (John 3:16)**. He loves **ALL** of us. Once we accept the sacrifice that His Son made on the Cross of Calvary, God's very heartbeat and lifeblood begins to flow into us. As His children, He infuses His life into us. It is like a new spiritual umbilical cord is created! As an added gift, when we receive Jesus, we also receive the Holy Spirit to help us, guide us and comfort us in our daily life.

## THE LIFE IS IN THE BLOOD

The amazing fact is that God **always** loves **ALL** of us and has loved us even before the very foundation and beginning of this world (Romans 8: 29-30). Even after people open their hearts and lives to Jesus, sometimes, people don't feel His heart beating for them and sending His life through them. How do we fix that? By having Faith! Just as a fetus automatically receives the blood flowing from his/her mother and the life that it brings, we receive God's life flowing freely to us from **His Beating Heart** (unconditional love). This is a promise, not a hope.

## CAN GOD'S HEART BE BROKEN?

Yes! What breaks God's heart? Two very important things: When people reject what His Son Jesus did for them as a free gift to reconcile them to Him and when His children don't realize the abundant life that their connection to Him brings to them through His Son. God's desire is that His people have the strength and courage to overcome all the circumstances in their lives through Him. That is called victorious living. That is His will for us.

## WHAT PLEASURES THE HEART OF GOD?

Without faith, it is impossible to please God. (Hebrews 11:6) It is that simple. You must have faith in Him, believe that He is (He exists) and believe that He rewards people who follow Him with their entire being (Hebrews 11: 6).

He is pleased when we love Him and love one another (Mark 12:31). He is pleased when we read the Bible (His love letter to us) because it helps us know Him better. The words in the Bible have brought comfort to people ever since it was written and still does today. The words found in the Bible are alive and brings life into people who read it and study it (1 John 3:21-22). Also, ***talk to Him (pray)***. Talking to Him and listening to Him keeps our connection to Him alive and pulsating.
